

As a Wags for Hope member you agree to the following:

Getting ready to visit:

1. Complete orientation.
2. Pay \$30 member fee. (\$10 for each additional family member, \$15 for each additional pet)
3. Complete WFH education seminar
4. Pass pet evaluation, submit pet's health form, rabies certificate and this agreement at this time.
5. Complete 1st and 2nd shadow visits accompanied by Wags representative.
6. Complete paperwork for assigned facility.

Once you are ready:

1. Visit on agreed-upon schedule.
2. Notify facility of any one-time only schedule changes.
3. Notify your WFH Facility Coordinator immediately of permanent schedule changes, changes in your contact info and immediately for any incident.

In order to continue visiting:

1. Submit a copy of your updated rabies certificate to WFH every 3 years (or yearly if your booster is yearly). If we do not receive a copy of that updated certificate, you will not be able to visit.
2. Provide a copy of your pet's health record to your facility yearly.
3. Please use WFH instead of Wags.

Additional requirements:

1. Pets must be at least 1 year old. If your pet is adopted, it must have lived in your home for at least 6 months; documentation may be required.
2. Handlers 10–17 years of age must be accompanied by an adult at all times and a parent-child waiver must be signed before visiting.
3. Keep your pet on a leash and under control at all times.
4. Remain with your pet both inside and outside the facility at all times.
5. Grooming—Your pet must be clean and brushed before each visit. Nails should be clipped regularly.
6. Dress—Please dress neatly and respectfully. Dressing comfortably is okay, but please, no tank tops or cutoff shorts.
7. Incidents—Submit incident report form to facility and Wags Facility Coordinator immediately following any incident. An incident is an abnormal event involving you or your pet, i.e., an accidental scratch from a pet's nails.
8. Pottying—Take your pet far away from flowers and residents' view. Clean up after your pet.
9. **You may only visit with One Pet Per Certified Handler.**
10. Be attentive to your pet's signals and make it a point to end your visit when either of you become fatigued, overly warm, or fearful in any way.

I understand and agree to all requirements of the Wags for Hope Team Agreement and have been provided a copy of this agreement.
